Print two-sided, flip on long edge. Cut each card so that it is ready to be pasted on the placemat.

What is something about our community that makes you feel proud?

Can you share about a time when you felt proud of our community?

What is something about our community that you wish you could change?

What is something you know about our community's needs and strengths that others might not know?

What is one change you have noticed in our community's needs or strengths?

What is one place in our community where you can get what you need or want?

What is one place in our community that makes your life better in some way?

What is something you need or want that you can't get in our community?

What is something you wish were true about our community?

Do you know anyone in our community who finds it hard to get what they need or want?

Do you know anyone in our community who helps people get what they need or want?

When you picture a better future for our community, what do you imagine?

What is one small change that would improve people's lives in our community?

What advice do you have to people who want to be of service to our community?

Write your own question!
